

WHERE DO YOU STAND?

We should re-introduce extinct animals into the ecosystem.

STRONGLY AGREE — AGREE — UNSURE — DISAGREE — STRONGLY DISAGREE

People living in the Arctic should be involved in deciding where mammoth will live.

STRONGLY AGREE — AGREE — UNSURE — DISAGREE — STRONGLY DISAGREE

Scientists should work to help endangered animals rather than extinct species.

STRONGLY AGREE — AGREE — UNSURE — DISAGREE — STRONGLY DISAGREE

We should do everything we can to slow climate change, even if we have unanswered questions about potential outcomes.
